Dear Sponsor,

The Stockton Recreation Commission (SRC) is proud to serve our community by offering a wide range of recreational programs and events throughout the year. From youth and adult sports to family-friendly activities, our goal is to create opportunities that encourage active lifestyles, connection, and community pride.

Support from local businesses and organizations plays a vital role in making these programs possible. Contributions from sponsors help us maintain and improve facilities, purchase equipment and uniforms, and continue to grow our programming to meet the needs of our community. Thanks to this support, SRC is able to provide meaningful, affordable recreational opportunities for participants of all ages.

In 2025 alone, SRC served hundreds of registered participants across our programs. We also strengthened community connections by partnering with organizations such as the Stockton Wrestling Club and the Stockton Area Chamber of Commerce. These collaborations help us expand our reach and reinforce the importance of recreation as a cornerstone of a healthy, connected community.

We invite you to consider supporting Stockton Recreation Commission through a sponsorship contribution. Every level of support makes a difference and directly impacts the quality of programs and experiences we are able to offer. Please return your completed pledge form by **Friday, March 27**. The enclosed information outlines the benefits your business or organization will receive as a sponsor.

If you have any questions or would like additional details, please contact one of our board members, call **785-425-8827**, or email **stocktonrecreation@gmail.com**. Thank you for your consideration and for supporting recreation in our community.

Making Stockton Stronger, Together.
